### Trap the Soul

*8th-level conjuration*

**Casting Time:** 1 action

**Range:** 50 feet

**Duration:** Permanent

Choose a creature within range that you can see. The target must make a Wisdom saving throw. On a failed save, you force the target's soul into a gemstone. While its soul is so trapped, the target's body and all the equipment it is carrying cease to exist. The gem holds the target indefinitely or until the gem is broken, at which time the target's body re-forms in an unoccupied space nearest to the gem and in the same state as when this spell was cast on it, with all the equipment it was carrying when it was trapped. You, and you alone, can communicate telepathically with the trapped soul. Other creatures that inspect the gemstone see a tiny figure inside it. If you speak the target's true name when you cast the spell, the target has disadvantage on the saving throw.

**Requirement:** You must provide a gemstone worth at least 1,000 gp for each Hit Die of the creature you would trap.
